

"He's that Funny Puppet Guy!"

Ventriloquist Richard Paul

Ha! Ha! presents his **Halloween Show**

A fast paced family fun Halloween ventriloquist/puppet show that is guaranteed to keep your audiences screaming - with laughter.

This non-scary, ghoulishly funny, spectacular autumn show includes life size puppets, magic, music, awesome special effects and hilarious audience participation.

For more than twenty years Richard Paul has astounded audiences when he carries on a three person conversation with his lovable Halloween friends; Headlee Lamar an unusual animatronics puppet and Wanda the cute, silly, self-centered witch.

"The best Halloween show I have ever seen."

-Carol Garrison, Riverview Parks and Recreation

Jaws drop when one lucky volunteer and the entire audience mix together some ghostly magic with hopes of creating an "scary" puppet, but instead they produce an hysterical rubber chicken with an Elvis hair cut.

"Glorpy" a lovable character shares his love for C-A-N-D-Y while at the same time promoting a safe Halloween.

As a grand finale, selected audience members join Richard and his friend "Boolaro" singing some ghostly funny Halloween songs.

A memorable Halloween show that is an unforgettable, hauntingly good time for ghouls and goblins of all ages!

"Your Ha Ha Halloween Show was terrific. The Children and their parent were delighted with your puppets and ventriloquist magic. Thanks for a great show!"

"They usually hire a magician but so I am glad they decided to try something different this year. Every time we go to the store and go down the goody aisle my kids imitate your little cute monster puppet Glorpy, saying:

"Mom we want some C-A-N-D-Y!"
